## School of Hard Cocks

A few weeks ago my boyfriend asked me if I would dress up in my old school uniform and allow him to take some photos of me. Up for anything as usual, I readily agreed. We had just about finished the film in the polaroid camera when his friend Andrew walked through the unlocked front door unannounced.

He stood there staring at me, amazed to see me in just my old school skirt and stockings. His amazement soon turned to lusty excitement.

Being an exhibitionist, I thought I'd lift up my skirt to give him a better view of what he obviously wanted to see. My boyfriend nodded in approval and I lifted my skirt high above my waist.

My boyfriend wasted no time in kneeling down in front of me, going to work on my

pussy.

He buried his face in between my legs and lapped at my clit with his warm, wet tongue.

I let out a sigh, never taking my eyes from Andrew who by this time had unbuttoned his jeans. I watched as he took out his cock and then I called him over to me.

I took his cock in my hand and began to wank it. My boyfriend stood up and I knelt down and took them both in my mouth, sucking and licking every inch of hard cock I could.

By now my pussy and arse were on fire. One of them had to be filled, and my boyfriend took the lead. He pulled his cock out of my mouth and moved in behind me.

I got on my hands and knees, doggy-style, and raised my arse high in the air. My boyfriend began licking my soaking wet pussy from behind.

He

slipped two fingers inside me while I carried on sucking Andrew's cock. My boyfriend took out his fingers and, replacing them with his cock, began pounding in and out of my aching pussy.

I slurped and sucked on Andrew's cock while being fucked from behind by my boyfriend.

I had always wanted to be licked and fucked by two blokes at once and this was a dream come true. The lads changed places and as I licked my juice from my boyfriend's cock and balls, Andrew shafted me from behind.

I was horny as fuck and to make my ultimate fantasy come true I said I wanted them both to fuck me at once – one in my arse and one in my pussy.

Both happily agreed and I straddled my boyfriend as he lay on the floor. He slipped his cock into my now dripping wet pussy as Andrew climbed on from behind and took me up my tight arse.

We all began moving together and as Andrew pumped at my arse I knew it wouldn't

CONTACT ME

be long before I reached a climax. Within seconds I was cumming, shaking and screaming in total ecstasy.

My boyfriend and Andrew then both said they were going to cum. I told them I wanted both my holes filled with their juicy spunk.

They fucked my arse and pussy until they both shot their loads, filling me right up.

I was well and truly fucked, but completely satisfied.

Kelly, Newcastle.

# LOUISA

These pictures of Louisa in her ancient Egyptian clobber could be used as an excuse to employ a load of lame puns, but that probably wouldn't be very mummy, would it? No, Nile make sure I stay well clear of that sort of thing and instead let's just asp the girl herself what it's all about...

"When I was little my parents had this big book about Egypt and I was fascinated by it all. I could sit there for hours looking at the pictures and learning all about the customs of the time. If I could time travel, I'd love to go back to the time of Ramses!"

### MOTHERLY LOVE!

We all used to harbour a secret desire to give our girlfriend's mum a good poking, didn't we? It's not often a fantasy like that comes true, sadly, but in this flick from Wicked it's all about the mums! Mind you, the knob-jockeys on show here aren't really typical of most girlfriends' mums, in my experience. For example, Rachael Cavalli wastes no time in flopping her wondrous boobs around her young beau's face, and he's quick enough on the uptake, slotting into her shaven slot for a fine looking (and sounding) bunk up. Look out for Mercedes Carrera - she's bang on the money!

### THIS IS YOUR WIFE!

Jessica Jenkins and Luke Hotrod are looking to buy a house together, but they're not bothered about the garden or the kitchen - it's straight up to the bedroom,

where the brunette's lips are soon wrapped around the stud's knob. A bit of 69, doggy and cowgirl keep them busy, and the estate agent's none the wiser! Other UK porners in on the act are Adreana Winters, who tries out a sex cage, and Yuffie Yulan, who makes the most of her rather spartan desk space. The remaining scenes are probably the highlights, though - blondes Cleo Summers and Chessie Kay, both of whom end up getting their shaven spadgers splattered with goo. Available from your local sex shop.

### Dear Julia

I used to go out with a girl who worked as an air hostess, so your pictures of Vanessa in her outfit brought back all sorts of happy memories. Julie, who I dated for a couple of years in the mid-80s, would often turn up at my flat still wearing her uniform, and although she had a suitably furry pussy for the era, it wasn't quite up to Vanessa's mega-muff! Sometime she'd keep the uniform on when we fucked, although she was paranoid about it getting dirty, as it had to be dry cleaned. Still, I didn't mind forking out for that now and then, because the pleasure of firing my muck all over her in it was definitely worth a few quid. Happy days!

Jez, Canterbury.

Flight of fancy!

## DEAR JULIA

### Dear Julia

Being as I am, a mature slut (in her 40s) I have a lot of filthy sex with like-minded and like-aged men and women, but I hanker to lick and taste the juicy cunt and tight little arsehole of some dirty bitch half my age – and Nomy (37.13) is just the sort! I've got three fingers wedged up my pussy right now and am frigging my clit thinking about having her gorgeous arse on my face. My hubby Steve would love to watch us dildo-fuck each other before joining in with his fat cock, me sucking on his swinging balls as he slams his prick into her.

While we'll have to stick to fantasising about Nomy, we've been luck enough to get a regular thing going with a friend of our daughter on the sly. Chloe is 24, sex-mad and prefers the attention of older types, so I'm getting my fill of younger sweet-tasting pussy juice pretty often and Steve loves fucking the pair of us together. Luckily he's still got lots of stamina, because we don't half make good use of his big, hard dick. Sometimes she spends the entire weekend in our bedroom, begging us to treat her like the dirty slut she is, and needless to say Steve and I just fuck her brains out!

Jo, Halifax.

To Nomy is to love me!

# Spunk Junkies!

There are few hornier sights than cock-mad slappers getting absolutely showered in jizz, and there's plenty of that on show here, with UK babes Tiffany, Summer, Alice, Samantha and co noshing off prick after prick and getting splattered in load after load of creamy man-fat. There's a bit of fucking thrown in as well, but oral's really the order of the day here!

Available from your local sex shop.

Ever wanted a sex toy that looks a bit like a slick update of the USS Enterprise? No, I didn't think I did either, but now I've got my hands on this beauty I see I've been missing out. It's one of those devices you wear during sex, with the narrow shaft going up inside her above the penis, providing simulation to both, while the outside bit provides bespoke pleasure to her clit. It certainly makes shagging a whole new experience, with orgasms a-plenty!

# REAL WIFE SEX

*Beth's pal believes that lez is more!*

**I wriggled my hips from side to side as her licks sent me wild.**

agreed to a quiet

evening in.

Kelly had decided to cook when I went round to hers. Nothing special, just a pizza, some garlic bread and the obligatory side salad to stop us from feeling too guilty. We washed the food down with a bottle of wine, and then opened another one to share while we watched the film.

The film we settled on was some recent rom-com effort, not my cup of tea but Kelly had chosen it as we couldn't settle on anything better to watch. We both sprawled out on opposite ends of her sofa, Kelly turned the lights off and the film began.

Within a matter of minutes of the film starting Kelly shuffled around on the sofa so that she was now snuggled up against me. I didn't find this too weird as we are usually quite tactile with each other but when she clasped my hand I found it a bit strange. Strange, but quite exciting at the same time.

I thought

**W**hen my friend Kelly invited me round for a girlie night in one Friday I agreed, although I didn't know why she was so keen on the idea. It sounded almost as dull as staying in with my Dave, frankly, when usually I'd prefer to hit the town and have a bit of a spree, so I was slightly perplexed as to why she wanted to stay in with a bottle of wine and whatever we could find on Netflix. Anyway, I needed to save some money and didn't think the local pubs and clubs would suffer from our absence for one weekend, so I

nothing of it for a few more minutes, then Kelly started stroking my leg. She ran her hand across the inside of my thigh, teasingly close to my mound.

"What the hell are you doing?" I asked, slightly alarmed.

"Shhh!" Kelly replied, placing a finger over my lips before leaning forward and kissing me.

I was in shock at one of my best friends coming on to me, but for some reason I didn't resist. I'd never particularly had feelings for another girl before, even one I knew really well. Everything was so confusing but since I wasn't pushing Kelly away in disgust, she came on heavier.

I felt her hand slip under the waistband of my jeans. Her fingers moved over the front of my knickers

didn't. She lapped at my pussy like it was the last time she was ever going to do it. I'd decided that it wouldn't be but made the most of it anyway.

It didn't take long for Kelly's tonguing to take me over the edge. I wriggled my hips from side to side as each one of her licks sent me wild. Then I was gripped by an almighty orgasmic spasm.

"Oh my..." I whimpered as Kelly continued to feast on my sodden gash. I rewarded her with a stream of my own juices, which she gladly lapped up.

When my climax had subdued Kelly finally pulled away from between my legs. Her face looked a right mess covered in all my juices. She smiled

at me, clearly pleased that I had succumbed to her ways.

"Did you enjoy that?" She asked with an eager grin on her face.

"Well, what do you think?" I replied. But then I didn't give her a chance to answer that. I pulled her close to me and started to kiss her. Our embrace got deeper and I think that probably answered her question. That or the ensuing muff-diving marathon that followed.

Now I'm managing to save quite a bit of money with girly nights over at Kelly's - Dave doesn't seem to care, 'cos it means he can watch whatever he likes, and (for some reason he can't fathom) I'm always really horny for a god fucking when I get home!

**I shivered as her fingers slid across my shaven mound and came to rest on my moistening slit.**

and I gasped as all that separated my pussy lips from her touch was a layer of cotton.

Kelly continued to rub me gently, obviously trying to ascertain some sort of reaction from me before she proceeded any further. To let her know I was comfortable with her advances I opened my legs so that it was easier for her to get her hand around my crotch.

Pulling her hand back a bit, Kelly slipped it under my knickers and pushed it back down. I shivered as her fingers slid across my shaven mound and then came to rest on my moistening slit. Slowly she inserted a finger between my love flaps.

Looking up at me for some sort of approval I nodded to Kelly and she began to tease my sensitive bud with her fingers. Pretty soon she had me worked up into such a horny state I didn't care that it was another girl pleasuring me.

Confident that I wouldn't object, Kelly undid my jeans and slowly pulled them off along with my knickers. Once I was naked from the waist down she repositioned herself so that her head was between my legs and that's when the real enjoyment began.

She pushed her tongue against my soft folds and soon slipped it across my clit. Every time the tip of her tongue touched my nub I was drawn into a deeper state of sexual gratification.

I grabbed hold of Kelly's head and pulled it close to me so that she wouldn't stop eating me out. She

## Office Cock

**M**y girlfriend Mandy is thirty-seven years old. These photos were taken in my office one weekend.

We often go into work and catch up on the paperwork when none of my staff are around.

This gives her the chance to play the role of the sexy secretary.

The only problem is that she is one fuck of a distraction, bending over the desk and flashing her bronzed thighs and firm butt at me.

I don't seem to get much work done. But then I'm not complaining because I do get my plums sucked.

She has got great tits with long hard nipples, a

lovely tight little pussy and gives the best blow-jobs I have ever had.

During sex I like her to tell me stories about her past sexual exploits, in which she takes a great deal of pleasure in verbally reliving for me.

My favourite short stories are the ones about her college days. She was nineteen and looked quite shy and innocent in those days. How wrong could you be?

She always wore dresses or skirts, usually with stockings or hold-ups. She often gave lads blow-jobs in the common room at break times and after lessons.

She soon got a reputation among the lads in her class for giving good head.

She sucked a mean cock and she always swallowed the lot. One of the lads'

02. MANDY

parents went away for the weekend and Mandy was invited. Of course she was – you'd have to invite the blow-job queen, wouldn't you?

Mandy wore a little black number to the party, along with the usual black stockings, suspenders and high heels.

The party kicked off and most people were getting pretty drunk. Mandy was being chatted up by some guy and before too long they were up in the bedroom.

Then she lay on the bed with her legs spread wide.

He knelt in front of her and slid his cock inside her.

After they'd been screwing for a while she noticed that a couple of lads had entered the room.

She did not seem to mind and carried on. When the first guy had sprayed her with spunk a voice from the room asked when it was his turn.

She told him his turn was next and began sucking his cock.

The third guy in the room didn't need an invitation to join them on the bed. As guy two began pumping her soaked pussy she took guy three in her mouth.

Well this carried on for hours, her getting fucked while she sucked. More blokes came in and stood by the bed, all waiting the turn she willingly allowed them.

Mandy can't actually remember just how many guys fucked her that night.

She thinks it was somewhere between twelve and twenty, with some of them doing her more than once. She said she was covered in jism by the end.

She had spunk on her face, tits, stomach and all down her stockings.

She can't remember how many guys had cum inside her or how much spunk she had swallowed. A good pint, I reckon.

She tells me she was sore for two weeks afterwards but it was worth it and she enjoyed every minute.

Stuart, Bucks.

As any preacher worth his salt will tell you, there's much more to Easter than just bunnies, chocolate eggs and hot cross buns – yes, there's naked babes as well (Hang on, I'm not entirely sure that IS what a preacher would tell you! – The Ed.), so to mark the most important feast in the Christian calendar here's two of our favourite honeys dressed up as bunnies!

A blonde woman with long hair is sitting on a clear plastic chair, posing for a photo. She is wearing a white lace halter-neck top and matching lace underwear. She is smiling and looking towards the camera. The background is a dressing room with a mirror and some lights.

# wcy

Look, you can't really blame us – we were so desperate to catch up with Lucy Zara again that we just burst in on her while she was still in her dressing room!

"That's very rude, you know, interrupting a lady when she's at her toilet," she chided. Still, I'll let you off on this occasion."

Well we should think so too – interrupting someone when they're getting ready might be rude, but it's nowhere near as rude as the delightfully filthy poses Lucy treated us to. Good manners will only get you so far, after all!

These **DVDs** contain extreme, taboo sex action. Please **DO NOT** purchase if you are likely to be offended!

# Jenny

**You're not going to catch much smaller than a cod with those fishnets, Jenny!**

**"Ha, well I'm not interested in catching anything too small, am I? Who wants a minnow, after all? And besides, one of the things I really love is being fucked through the holes, and these fishnets are perfect for that. All you have to do is pull that gusset out of the way like this and then my sopping hole's completely accessible!"**

**We'll admit it, that doesn't sound too shabby!**

## Gig-gidy giggidy!

I was at a gig and I met this wicked tart whose pictures you see here.

She was dressed in an all-body fishnet suit and she went down on me like a diver looking for pearls.

Well she found it – all over her face after she'd nosed me off in the venue's toilet. Her look of complete joy when I made the tart all kitten-eyed made me want to see her so we set up a date next week.

She said she would bring along a mate so I met her in a pub expecting to see a bird as fit as her. I was a bit perturbed to see her

turn up with a bloke in tow – a real muscly fucker. I was tempted to blow the whole thing out but after a couple of drinks, banging a girl along with another guy seemed like a better idea.

So, we went back to his house. He just wanted to watch at first, as this girl (Georgia) knelt in front of me and slowly revealed my cock.

She let her lips caress every part of my tuberosus cock and balls, even probing my pulsing anus with her hot tongue.

The other guy was obviously getting hot over this sight, and began easing his truncheon up Georgia's cunt while she covered my dick in spit.

I loved watching this guy's fat cock dip into Georgia

over the horizon of her nice big arse. A few more strokes and I was spraying her gums with man-seed.

She flipped over and let it seep back out of her mouth and down her chin. Matey-boy finished off by holding her boobs tight and thrusting into her wet minge.

We exchanged a handshake and I left. I found the experience interesting and would probably do it again.

Marcus,  
Chelmsford.

## Auto Erotic

The three garage mechanics said that I had three holes that needed filling when I came to collect my car. But, they went on, my front bumper and rear end were fine.

It was only when I got the car home that I realised I had left a video of myself on the front seat and that was what those cheeky lads must have been referring to.

The next day I drove to the garage, and made sure they got a good flash.

I said, "I have come to get my three holes filled!"

The garage doors were shut and the three guys, Micky, Darren and Bob put their oily hands all over me.

Darren and Bob were feeling my fanny and arse while Micky was sucking my tits.

I knelt down and told them to take

their pants off so I could suck on their cocks.

Darren was the biggest so I sucked him first, then I went down the line and as each one spunked I swallowed every drop.

I took my clothes off, except for my stockings and told them to fill me up.

Darren lay on the floor and I sat on his cock (nine and a half inches of heaven), Bob slid his cock in my arse and Micky filled up my mouth.

As each one pumped a hole my juices began to flow until on each inward stroke, my fluids were splashing out of me.

The harder they fucked me the wetter I got.

I was screaming in ecstasy as the guys changed places. I could taste bum juices on Bob's cock and this made me cum again.

Bob came over my face and I screamed to be fucked harder.

Darren and Micky came at the same time, filling my pussy and arse with man fat while Bob sat on a chair and got himself hard again.

I went over and sat on Bob's cock and got fucked hard and slow in the arse to finish off. I can't wait for my next filthy MOT!

Dee, Lancs.
